Why is increasing your profile views so important?

In a way your LinkedIn Profile is a bit like an electronic brochure that presents you, your business, your products or services towards your target market or target audience.

Obviously you would like as many people as possible to know about

What you do,

What you offer,

& How you can help them.

RESULTS
FORMULA

Why is Your SSI So Important?

The more people within your target audience / target market on LinkedIn that know about what you do and how you can help them,
the greater the interest
and therefore,
the more inquires you will get.
