

Derick Mildred

How to Download Your LinkedIn Data.

RESULTS
FORMULA

Linked

More Business

In this chapter you will learn.

1. The Steps to download your LinkedIn data.
2. The types of data available for you to download.
3. The data that is not included and why.

Easy Steps to Download Your Data.

The image shows a LinkedIn profile page for Derick Mildred. At the top, there is a navigation bar with icons for Home, My Network (with a notification badge), Jobs, Messaging (with a notification badge), Notifications (with a notification badge), and Me. Below the navigation bar is a search bar and the LinkedIn logo. The profile banner features a blue background with the text "I Show You How to Use LinkedIn to Build, Grow & Scale Your Business" and "for Business Growth." It also includes a circular profile picture of Derick Mildred and a "Follow Me" button. The bio section identifies him as a LinkedIn Business Coach and includes a "Verify now" button. Below the bio, there are social media handles, a "FREE LinkedIn 4 Business eBook" link, and follower/connection counts. At the bottom, there are buttons for "Open to", "Add profile section", "Add custom button", and "More". A dropdown menu is open on the right side, showing options for Account (Premium features, Settings & Privacy, Help, Language) and Manage (Posts & Activity, various company pages). A callout box points to the "Me" icon in the navigation bar, and another callout box points to the "Settings & Privacy" option in the dropdown menu.

1.) Click on 'Me' and the drop down menu will appear.

2.) Then in the Dropdown Menu click on Settings & Privacy.

Easy Steps to Download Your Data.

The screenshot shows the LinkedIn interface for managing data. On the left is a navigation menu with items: Account preferences, Sign in & security, Visibility, Communications, Data privacy, How LinkedIn uses your data (highlighted), Job seeking preferences, Other applications, and Advertising data. Below the menu is a link to the Help Center. The main content area is titled 'How LinkedIn uses your data' and includes sections for 'Manage your data and activity' and 'Get a copy of your data'. The 'Get a copy of your data' section offers two options: downloading a larger archive or selecting specific data files. A 'Request archive' button is at the bottom of this section. A callout box on the left contains the text: '4.) Next, click on Get a Copy of Your Data.' and has an arrow pointing to the 'Get a copy of your data' section.

A Quick Re-Cap.

After watching this video you should understand more about

1. The steps involved to easily download you LinkedIn data.
2. The different types of data available to you.

Your Objective.

Is to successfully download your LinkedIn data.

RESULTS
FORMULA

Remember:

The Fastest Way to Achieving
Results is to Apply.
Just Get Started and Implement.

RESULTS
FORMULA

A gravel path leads through a forest with autumn foliage. The path is made of grey gravel and is flanked by trees with yellow and orange leaves. The sky is blue with some clouds. The text is overlaid on the path.

The great thing
in this world is
not so much
where you stand,
as in what
direction you are
moving.

Oliver Wendell Holmes
